Dear Member

Re: Annual Convention, Southport, 2-4 June 2020

Just to update you about some changes since the last Pensioners’ Parliament in 2019.

As a result of a motion at the Biennial Delegate Conference in March, it was agreed to rename the event the National Pensioners’ Annual Convention.

The venue has also changed as Blackpool were unfortunately unable to accommodate our needs. Southport have offered us a very good deal and there are many benefits of holding the Convention here – particularly the accessibility for all delegates.

Please find attached the booking form for the Convention along with two forms that we need to use to record the accommodation bookings in Southport in order to get the grant from the Council.

Please use booking form 1 for individual bookings and booking form 2 for group bookings. If possible, please return these with your Annual Convention booking form.

It is vitally important that the accommodation booking form is completed and returned to us in order to ensure that NPC receives the grant funding.

If you have any queries about this please contact Margaret in the NPC offices on mwaterfield@npcuk.org or 0207 837 6622.

May I take this opportunity of thanking you for your continued support to NPC and look forward to meeting you again in Southport in June.

Kind regards

Jan Shortt
General Secretary
