Campaigners will gather in Southport in their hundreds, at the Southport Theatre & Convention Centre for the NPC’s three-day Annual Convention which runs from 2nd - 4th June 2020. Although at a new location, the event will start with an opening rally and still have talks by a number of expert speakers.

Days two and three will include sessions on a wide range of issues of concern to older people, from pensions and social care, to transport and housing. Last year, over 550 delegates picked up a huge amount of useful information from a wide range of speakers, as well as being able to give their own views and pose questions to the panels.

This is what some delegates had to say about the 2019 event:

“Enjoyed the sessions and the speakers”
“Rewarding, glad I attended”
“The speakers were brilliant”

There will also be extra activities going on during the three day convention, as well as the popular social evening, which is included in the ticket price.

The Annual Convention is a unique event - run by older people, for older people - and one which promotes a shared identity and unity in campaigning, as well as providing the opportunity to meet old friends and make new ones.

Tickets are priced at £10 for the full event or £5 for one day.

Booking Accommodation & Travel

The NPC has to administer some information regarding the number of nights that people are staying at the Annual Convention 2020 and provide it to the council at the end of the event so they can pay us a grant. This will mean each person/group will need to fill in a form with the name of their hotel and the number of nights stayed. This is part of the process that will enable Southport to financially support our event. It is vitally important that every delegate submits a completed form to the NPC prior to the end of the event. We thank you for your cooperation in advance.

You can also help raise funds for the NPC by using EasyFundraising - at no extra cost to yourself - when you book train tickets online. For more details visit
